

Welcome to YEONJUN

Where music meets style

GGUM X DEINET™ Collection

The exclusive **GGUM X DEINET™** collection is **inspired by dreams, made for fans**. Each piece embodies Yeonjun's vision, blending fashion with artistry to bring fans closer to his creative world.

"With my job and everything, I always make an effort to dress decently, even on regular days. I think your outward appearance is important in this job, and paying attention to small details like that is one way I take care of myself." — Yeonjun

Fashion, according to Yeonjun, is **an expression of art**, just like a song is **an expression of the soul**.
